

G4therring

JUNE 2 – 6, 2025
MINNEAPOLIS, MINNESOTA

**SPONSOR & EXHIBITOR
OPPORTUNITIES**

Dear Collaborators and Industry Partners,

It is our pleasure to invite you to support the upcoming 2025 G4thering Conference, which will be held in Minneapolis, Minnesota from June 2 – 6, 2025. The meeting will be held at the Marquette Hotel in downtown Minneapolis and will include presentations of interest to researchers and practitioners in the fields of nucleic acid, guanosine self assembly, G-quadruplexes, and more.

The meeting provides an excellent opportunity for companies and organizations involved in these areas to extend their marketing activities and support the meeting through its sponsorship and exhibit program. Advertise in the digital PDF program, be an exhibitor and display your product, or have your company's name attached to one of our social events! Full details can be found in this package. We welcome all our previous supporters who have attended our conferences internationally as well as local organizations and new firms.

We look forward to welcoming you to Minneapolis in June 2025!

Sincerely,
Thomas Marsh

2025 G4thering Conference Chair

WHAT IS G4thering 2025?

G4thering 2025 will bring together researchers from across the globe for discussion and exchange of the most cutting-edge knowledge, insights, issues and ideas. G4thering 2025 is the latest in a series of international conferences rotating throughout the world with the last meeting in Europe.

The common scientific theme unifying this group of scientists is the study of guanine quadruplex nucleic acids (also known as G-quadruplex or G4-nucleic acids). G-quadruplex structures have garnered significant interest due to the key role it plays in a variety cellular function and dysfunction, its potential biomedical applications, as well as its novel biomaterial properties. Sponsoring this research conference is an excellent opportunity to partner with an international community of scientists

The **G4thering 2025** is being organized under the leadership of the Conference Chair Thomas Marsh (*University of St. Thomas*) with support from Danzhou Yang (*Purdue University*) and Bruce Armitage (*Carnegie Mellon University*).

The **Scientific Review Board** is comprised of leading researchers from across the world to ensure a balanced and thorough program.

The overall **conference planning process** is organized by members of the G4thering 2025 team and the team at Podium Conference Specialists.

WHO IS

WHY SPONSOR?

WHY SPONSOR?

Connect with **leading and emerging** researchers, scientists and trainees
You will gain exposure, build relationships, develop partnerships and connect with representatives in the fields of nucleic acids, G-quadruplexes, and more

Premium **branding & positioning** opportunity

You will reach your target audience and be recognized as a supporter of the meeting and its aims. Set your product, service and brand apart from your competitors - guaranteed visibility on digital and printed materials, advertising, and promotions

Face time with leading scientists

You will have the opportunity to connect with researchers, PIs and students to build relationships and form valuable partnerships. Meeting registration, marketing opportunities, exhibit booths and networking are among the many benefits associated with sponsoring.
